

2014 Kids Fire Experience

Held at the
Christiana
Fire Company
Christiana, PA

August 22 & 23

Children will experience various rescue and fire demonstrations. Local companies will provide basic fire safety as well as instructional training. This year we will be focusing on "Step into the boots of a firefighter". Children will learn about what it takes to become a firefighter. We have various stations to help teach the children what is involved. Friday, August 22 will be a "Community Night" for the campers and the public to attend. Families are welcomed to enjoy a FREE night of fire and water activities as well as various carnival games. Saturday all registered campers will be able to observe some live demonstrations performed by local firefighters and will get to visit various stations gaining hands on experience.
